Alpine Parent Night - November

Social Skills Training
for Parents

Thursday, November 18, 2021
6:30-8:00pm
Alpine Special Education Office

Your child will reach their greatest potential by being accepted for exactly who they are.

We will be discussing:

- Accepting and valuing the unique, diverse characteristics of every child.
- Emotional and psychological factors related to teaching social skills.
- Using all of a child's sensory modalities to teach.
- The formula for addicting kids to communication and engagement.
